

Advisory for submission of application for additional GNA by STUs as per CERC order dated 01-10-2023 in Sua moto petition no. 15/SM/2023

Date: 06-10-2023

CERC has issued an order in Sua moto petition no. 15/SM/2023 on 01-10-2023 on Removal of difficulties (Third Order) in giving effect to certain provisions of CERC GNA Regulations 2022. Item no. 4 of this order refers to extension of timeline for application for grant of GNA by STUs under 19.1. Accordingly, **STUs are allowed to apply for additional GNA in offline mode as per format attached at Annexure-I for any quantum till 31-03-2024 with start date of additional GNA till 31-03-2025**, which shall be considered for grant by CTUIL in terms of the GNA Regulations. STUs are required to apply in advance to CTU considering two months processing time required for grant of GNA.

Application for additional GNA quantum needs to be made online on NSWS portal under Regulation 19.2 of GNA Regulations between 01st Apr to 30th Sept of every financial year starting from FY 2024-25 for next three financial years. For example, application can be made between 01-04-2024 to 30-09-2024 for next three financial years i.e. FY 2025-26, 2026-27 and 2027-28.
