### Sub: Data Collection for Rolling Plan 2028-29 and associated activities – reg.

Dear Sir/Madam,

As per ISTS Planning Procedure, CTU is required to draw up a plan for Inter-State Transmission System (ISTS) for upto next five years on rolling basis every year. The entire process for transmission planning is to be undertaken on a continuous basis, twice a year. i.e., from April to September and October to March of every financial year. In this regard, CTU has prepared the interim ISTS Rolling Plan for 2028-29 timeframe and the same was circulated by e-mail and is also uploaded on CTU website at the link given below for your reference.

<https://ctuil.in/annual-rolling-plan/reports>

We have already initiated activities for next planning cycle viz. Oct'23 to Mar'24 for 2028-29 timeframe. Accordingly, it is requested that STUs, Grid-India, MNRE may provide necessary inputs for this cycle by 31-10-2023, so that the same may be considered for system studies for this cycle. RPCs are requested to facilitate in providing the requested data from respective STUs for planning relating to ISTS. Grid India is also requested to provide the demand data of states, regions and all India and source-wise generation data of all regions and all India for Feb'23, Jun'23 and Aug'23 months for 5 minutes interval.

The timeline for the activities of this cycle is enclosed at **Annexure-I**.

Thanking you,

Yours faithfully,

(Parth Sarathi Das)  
Sr. General Manager
