Date: 04-04-2024

As per distribution list

Sub: Data Collection for Rolling Plan 2029-30 and associated activities – reg.

Dear Sir/Madam,

As per ISTS Planning Procedure, CTU is required to draw up a plan for Inter-State Transmission System (ISTS) for upto next five years on rolling basis every year. The entire process for transmission planning is to be undertaken on a continuous basis, twice a year. i.e., from April to September and October to March of every financial year. In this regard, CTU has prepared the ISTS Rolling Plan for 2028-29 timeframe and the same was circulated by letter dated 01-04-2024 and is also uploaded on CTU website at the link given below for your reference.

<https://ctuil.in/annual-rolling-plan/reports>

We have already initiated activities for next planning cycle viz. Apr'24 to Sep'24 for 2029-30 timeframe. The timeline for the activities of this cycle is enclosed at **Annex-I**. Accordingly, it is requested that STUs, Grid-India, MNRE may provide necessary inputs for this cycle by 30-04-2024, so that the same may be considered for system studies for this cycle. RPCs are requested to facilitate in providing the requested data from respective STUs for planning relating to ISTS.

Further the nodal officers associated during the preparation of previous rolling plan is also available at CTU's website (https://www.ctuil.in/rolling_plan_updates) as well as in the report. It is also requested to provide the fresh nominations in case of any change in the same as per format given at **Annex-II** at the earliest.

Thanking you.

Yours faithfully,

(Partha Sarathi Das)
Sr. General Manager

Annexure-I

Sl. No.	Activities	Responsibility*	(Apr-Sep)
1.	Data Collection:	MNRE, CTU, CEA, STUs, RPCs, and Grid-India	01 st to 30 th Apr
	<input type="checkbox"/> Inputs regarding plans made by CEA (short term & perspective plans for next ten years)		
	<input type="checkbox"/> Open Access / General Network Access / Cross border transaction requests made by Designated Inter-state Customers / other entities		
	<input type="checkbox"/> Data to be submitted by the STUs (to be co-ordinated by RPCs)		
	<input type="checkbox"/> Operational Issues to be submitted by NLDC/ RLDCs to CTU		
	<input type="checkbox"/> RE related inputs to be provided by MNRE		
2.	Data validation and preparation of Load-Generation Balances (LGBs) for different scenarios through joint consultation in separate regional meetings	CTU, CEA, STUs, RPCs, and Grid-India	15 th Jun
3.	Preparation of base case files for identified LGB(s)	CTU	30 th Jun
4.	Single or Multi Regional Joint System studies for evolution of new ISTS schemes and / or augmentation of existing system	CTU, CEA, Grid-India, and concerned RPC(s) & STU(s)	31 st Jul
5.	Preliminary proposal along with assumptions on CTU website for stakeholders' comments	CTU	15 th Aug
6.	Stakeholders' comments on the preliminary proposal	Stake-holders	31 st Aug
7.	Finalisation of transmission schemes considering comments / suggestions of stakeholders and uploading of the final proposal on CTU website	CTU	30 th Sep
