

Notice regarding details of ownership/controlling shareholding of Connectivity applicants

[23.12.2024]

CERC has asked CTUIL to obtain the details of the ownership of the connectivity applicants as on the date of application and on 31.10.2024 or COD of the project (if COD is achieved). Any change in the ownership or promoters having controlling stakeholding are also to be provided.

Accordingly, all RE generating stations granted Stage-II Connectivity under CERC Connectivity Regulations 2009 (w.e.f. 01.03.2021 or later) or granted/applied Connectivity under CERC GNA Regulations 2022 shall furnish information regarding ownership/controlling shareholding of the entity between date of application and COD of generating station (or 31.10.2024) in the following Microsoft Forms page at the earliest.
