

**Instructions for submitting additional details/application under Regulation 37.10(a)  
of CERC Connectivity & GNA Regulations**

3<sup>rd</sup> amendment of CERC Connectivity & GNA Regulations 2022 has been made effective from 09.09.2025. As per Regulation 37.10(a) of the Regulations, if an application for grant of Connectivity or grant of GNA has been made under these regulations prior to the effectiveness of the third amendment, but an in-principle grant of Connectivity or grant of GNA has not been issued as on the date of coming into effect of these regulations, such applications shall be processed in accordance with the third amendment.

In case any additional detail is required to be furnished under the third amendment, or a modification of the application is required to be carried out, such entities shall furnish the same within a period of one month from the coming into effect of these regulations.

Accordingly, following entities are required to submit additional details in order to comply with the above provision:

- Application submitted prior to 09.09.2025 based on LOA or PPA route, and
- Installed capacity is more than LOA or PPA quantum, and
- Intimation for in-principle grant of connectivity has not been issued as of 09.09.2025

For ease of the above applicants, a Microsoft Forms page has been created for submission of additional documents/ modified application. Eligible applicants are required to submit the form and upload necessary documents by **09.10.2025**, failing which CTU shall process the application in accordance with the provisions under third amendment of these regulations, and in case the connectivity has been applied for multilocation based on one LoA or PPA, CTU shall grant Connectivity for the location where the Installed capacity is highest.
