विषय: Determination of Revised Relinquishment Charges of M/s AD Hydro Power Ltd. (ADHPL) in accordance with the directions under petition no. 97/MP/2022 vide order dated 29/12/2025

1. M/s ADHPL was granted 168.96MW LTA on Target Region (NR) basis vide letter dated 17.07.2009 & 20.11.2015 w.e.f. April, 2010 for 40 years, (168.96MW for first 12 years & 157.44MW for next 28 years). The LTA was made effective w.e.f. 16.09.2010.
2. M/s ADHPL vide letter dated 23.08.2021, requested to relinquish LTA quantum of above LTA with immediate effect, accordingly, same was relinquished w.e.f. 24.08.2021 vide CTU letter dated 27.08.2021. Upon relinquishment, relinquishment charges were calculated based on methodology established for calculation of compensation (relinquishment charges) payable by each relinquishing long term customer by CERC vide order dated 08.03.2019 in Petition No. 92/MP/2015. The charges were uploaded on CTUIL website and communicated to M/s ADHPL.
3. However, M/s AD Hydro filed a petition before CERC (97/MP/2022) challenging the firstly, the computation of relinquishment charges determined by CTU; and secondly, the methodology published by CTU for determining relinquishment charges pursuant to order dated 8.3.2019 in 92/MP/2015. CERC vide its order dated 29.12.2025 in Petition No. 97/MP/2022 directed CTUIL to carry out the relinquishment charges for AD Hydro as per the Order dated 08.03.2019 No. 92/MP/2015, considering the AD Hydro – Nalagarh 220 kV D/c Transmission Line identified under the LTOA grant **as deemed ISTS as of August 2021 (line to be considered as “Augmentation under ISTS”)**.
4. Keeping above in view, revised relinquishment charges of M/s ADHPL have been calculated and same are tabulated as below:

Sl.No.	Applicant	Region	LTA Granted (MW)	LTA Relinquished (MW)	LTA effectiveness date	Notice for Relinquishment	Relinquishment date	Stranded Capacity Charges (in Lacs)	Charges for Notice Period (In Lacs)	Total Compensation (in Lacs)
1	AD Hydro Power Ltd.	NR	168.96	168.96	16/09/10	23/08/21	24/08/21	991.64	918.52	1910.16
